

# Ozone Song

(Fighting-Fit Phytoplankton)

by David Haines

Lively ♩ = 120

INTRO [straight 8s]

5

Hu - mans lie in the bright sun - shine but its rays aren't all of the

8

friend - ly kind U V A rays age the skin

\*

\*optional repeat if needed

11

U V B rays burn it but just in..... Case you thought it was

14

all bad news Ul - tra - vio - let light makes vi - ta - min D in him

17

in her in me in you too It is - n't just hu - mans that

21

have to take care of ul - tra - vio - let tra - vel - ling through space then air We

24

phy - to - plank - ton li - ving in the sea For pho - to - syn - the - sis need U V But

28

too much blea - ches out the green and da - ma - ges our D N A,

31

yes, we've been.... Ha - ving a hard time for ma - ny years But

34

now let's ce - le - brate, whoop and cheer That Big An - tarc - tic o -

37

zone hole is hea - ling now thanks to the Mon - tre - al Pro - to - col

40

Hea - ling thanks to the Mon - tre - al Pro - to - col Hea - ling thanks to the

43

Pro - to - col

**REFRAIN 1 [swung]**

We're de - light - ful fight - ing - fit, floa - ting

**In swung time**

47

phy - to - plank - ton Li - ving in the big wet sea Ti - ny

50

migh - ty throng - ing thri - ving feis - ty phy - to - plank - ton Dan -

VERSE 1

52

cing na - ture's cho - re - o - gra - phy You

54

naugh - ty hu - mans sprayed O - zone de - ple - ting stuff Such as

56

chlo - ro - fluo - ro car - bons In - to the air e - nough to

58

In - ter - fere with o - zone That shields Earth from U V rays But in - ter - natio - nal

61

ac - tion has suc - cee - ded in re - ver - sing o - zone's de - cay hoo - ray hoo - ray

64

**REFRAIN 2**

hoo - ray! We're de - light - ful fight - ing - fit, floa - ting phy - to - plank - ton Li -

67

ving in the big wet sea Ti - ny migh - ty throng - ing thri - ving feis - ty

70 VERSE 2

phy - to - plank - ton Dan - cing na - ture's cho - re - o - gra - phy U V

3

3

73

ra - di - a - tion splits mo - le - cules in stra - to - sphere O 2

3

75

(o - xy - gen) di - vides, quick - ly re - com - bines, but hear! One in ev - ry half a mil - lion Ends

3

3

3

78

up as o - - zone O 3, the con - qu'ring he - ro from U V shields our

3

3

81

pla - ne - ta - ry home His home, her home, my home, your home

84

Ev' ry - bo - dy's home! We're life's foun - da - tion

BRIDGE

87

food We phy - to - plank-on down at the bot - tom of the food chain

90

And now the o - zone hole is heal - ing We're fee - ling fit - ter so once a - gain

## REFRAIN 3 &amp; CODA

94

once a - gain We're de - light - ful fight - ing - fit, floa - ting

96

phy - to - plank - ton Li - ving in the big wet sea Ti - ny

99

migh - ty throng - ing thri - ving feis - ty phy - to - plank - ton Dan -

101

cing na - ture's cho - re - o - gra - phy (it's twin - kle toes zone)

103

Dan - cing na - ture's cho - re - o - gra - phy (thanks to o - zone)

105

Dan - cing na - ture's cho - re - o - gra - phy!
